Circular No. 027/ 2024-'25

Circular for Parent/Guardian Consent for APAAR ID Generation

Dear Parent/Guardian,

As part of the Government of India's initiative to provide a **Unified Identification System** for students across the nation, the Ministry of Education has introduced the APAAR ID (All-Purpose Academic Register ID). This Unique, lifelong ID will enable students to seamlessly access Educational Resources, monitor their academic progress, and participate in various educational activities.

The APAAR ID will also serve the following purposes:

- A. Provide a single identification across schools, states, and educational institutions.
- B. Facilitate transfer of students and tracking of academic progress and achievements.
- C. Enable access to the DigiLocker ecosystem for storing and retrieving academic records, health cards, and extracurricular achievements.
- D. Support students in future endeavors, including scholarships, admissions, and employment opportunities.
- E. Monitor dropout rates and support mainstreaming initiatives.

We kindly request your consent to generate the APAAR ID and open a Digi Locker account for your child. Please find the attached documents that need to be filled, signed, and submitted along with a scanned copy of your Aadhaar.

You can submit the scanned copies of the signed consent form and other required documents via WhatsApp on 9989311733 / E-Mail to snvp2@live.com as early as possible to ensure timely processing.

We appreciate your cooperation in implementing this initiative, which aims to enhance the educational experience for all students.

Thank you.
