Subject: Completion and Submission of Holiday Learning Tasks

**Dear Students and Parents,
Jai Swaminarayan!**

Warm greetings from Neelkanth Vidyapeeth. We trust your ward is enjoying a peaceful and enriching vacation. As part of our commitment to continuous learning, we kindly remind you of the expectations regarding the holiday assignments:

Submission Timeline: Please ensure that all tasks are completed and submitted by 18th October, 2025 without fail.

Early Uploads Encouraged: If your ward has already completed any subject tasks, we encourage you to upload them via the school app at your earliest convenience. This enables teachers to review and offer constructive feedback well ahead of time.

Subject-wise Uploads: Each subject's work may be submitted as and when completed. There is no need to wait for all subjects to be finished before uploading.

Feedback & Improvement: Early submissions allow time for corrections based on teacher feedback, helping your ward improve their final scores.

Assessment Weightage: Each assignment carries 20 marks and contributes directly to the subject grade. We request your ward to approach the tasks with sincerity and diligence.

Important Note: On the day of reporting, all holiday assignments must be submitted to the respective subject teachers without exception. We sincerely seek your cooperation in ensuring this.
